

CANDY MAKERS WANTED

Continued from page 1

to volunteer and become a part of the 89-year-old tradition of making candy for the Town.

Lillian Virgin Finnegan was the originator of making candy for Genoa in 1919 as an effort to raise money to purchase streetlights for Genoa. With the help of her aunt, Jane Raycraft Campbell, and the many volunteers, delicious samples were made that were given out at a midnight fundraising supper held in the Raycraft Hotel.

The tradition continues and now volunteers make up to 4,000 pounds of candy for the annual Candy Dance event.

Whether you volunteer for one hour or many hours, your help is appreciated. It's a great way to support the Genoa community. This year Candy Making will begin August 17 and will continue through September.

To volunteer, or for more information, please contact Marian Vassar, 782-4584, or the Genoa Town Offices at 782-8696, or go online to, www.genoanevada.org/candydancefaire.htm.

STREET CLOSURES FOR CANDY DANCE

Continued from page 1

The state and county assist with these road closures and officers will have signs placed directing residents to use detours around the downtown area. Residents will be provided with 4 resident passes and the only access to town will be for those vehicles that have a resident access pass. A detour map into Town is available online at www.genoanevada.org/candydancefaire.htm.
