THANK YOU TO GENOA'S 2008 VOLUNTEERS

Our volunteers create a strong sense of community for Genoa. Without our volunteers, the events that are enjoyed by the residents of Genoa, Carson Valley and the region throughout the year would not happen.

The civic involvement of volunteers is at the heart of what makes Genoa a very special place. The Genoa Town Advisory Board and staff can't thank our volunteers enough for the hundreds of thousands of hours they donate in preparing for our events as well as the actual work it takes to put on each event.

Starting at the beginning of the year with St. Patrick's Day and ending the year with the Christmas in the Sierra Concerts.

Candy Dance alone is a huge endeavor that not only benefits Genoa, but the entire Carson Valley.

The hundreds of volunteers that come out have a common purpose — to help their community.

We are truly blessed and we thank you all. For those of you who would like to join our community volunteer efforts, you are encouraged and very welcome.
