Do You Know?

The **Genoa Lending Library** has been downsized and moved to a new location downstairs at the Genoa Country Store.

The library now has mainly fiction books, audio books and a small selection of very current non-fiction.

The library is open on the honor system whenever the Genoa Country Store is open.

Due to limited shelf space, any future donated books must be very current and in good condition. If you have a large number of books to donate, consider taking them to the Minden Library or a thrift store of your choice.
