

HALLOWEEN

Thank You, Volunteers!

Jen Hukari and Gina Coons, co-chairs of the Genoa Halloween Party, would like to thank all the volunteers that helped so much — we could not have done it without all of your hard work and support!

Thanks to Cory Billman, Dan Walters and Jeff Codding for toting the kids all around town on the Halloween Hay Ride wagons.

We would also like to give special thanks to Happy Notes Music and Maureen Conlin for providing such great music and entertainment — the kids had a blast.

Maureen and her family moved to Genoa just last spring. Maureen teaches music classes all around Carson Valley and Douglas County, provides entertainment for parties and teaches music workshops.

Please visit her website at www.happynotesmusic.com or call (602) 820-1900 for information about all the music services she provides.
