The Cash Only Band set to play tribute to Johnny Cash and Outlaw Country Music

Founded by front man guitarist Davin Kangas in 2002, the Cash Only Band started out as a Johnny Cash Tribute band and is a musical interpretation not an impersonation. Also featured will be the music of other popular artists including Willie Nelson, Merle Haggard, Waylon Jennings, Kris Kristofferson and David Allen Coe.

Other band members include South Lake Tahoe's Nate Alcorn on upright bass, bringing a western swing and slap style, and Raybob Bowman on pedal steel, who has performed for more than 30 years professionally with the likes of Naomi and Wynona Judd. Lowell Wilson is on the keyboard and synthesizer with his honky-tonk piano style and rock organ-style sounds, along with innovative percussion stylist Tom Parodie on drums.

The ticket price is \$28 for adults, \$20 for children 12 and under, \$20 for dance only tickets and Diamond Tables are \$50 per person. The Diamond Tables are reserved with parking at Genoa and premiere wines at your table. Diamond Tables are limited. All dance tickets will be sold in advance.
